

Richard B. Cartmell Elementary

Board Report

February 15th, 2013

Here is a rundown of items going on currently at Cartmell:

1. We currently have an enrollment of 420.
2. Construction / Renovation – We are waiting on the final clean-up of a few punch list items to be finished.
3. Curriculum / Instruction / Assessment – We have completed all of the staff training in the Linda Mood Bell process. We will be serving 80 students in small groups of five students. In addition, every student in our building will receive 90 minutes per day of instruction based on their specific needs. We have used MAP data and other assessment information to place students into these groups. Many students will be working on blended learning activities to involve technology and make the learning specific to them. In addition to our “Champion Block” time, we have also been working with teachers to monitor student learning on priority standards.
4. 4H – All of our 4th and 5th grade students have just completed giving formal speeches and demonstrations through 4H. Many of these students will be going on to the county wide competition in March.
5. Dates:
Panther Party –February 15th
