

Approval of the Agreement between Carroll County Schools and Patti Harrison

The agreement between Carroll County Schools and Patti Harrison is to allow Mrs. Patti Harrison to consult with the high school staff on co-teaching efforts. She has been trained in the past through the Kentucky Department of Education to be a trainer for co-teaching within the state. We would like to bring her back to the high school as a consultant to help support our current model of co-teaching and assist the Special Education teachers.
