

Approval of the Maintenance 4 position

Due to the unusual amount of work that is needed this spring and summer, we recommend the addition of a maintenance 4 person to help our Maintenance Department. The position would be for 30 hours per week and would end on June 30, 2013. Having expressed interest in this position we would transfer Chris Tuttle to the Maintenance Department with the option for him to return to a Bus Driving position for the 2013-2014 school year. The salary will be \$8,935.00, benefit costs at \$2,502.00, for a total cost of \$11,437.00.
