

**Approval of Job Description for Teacher of the Carroll County Center for Advanced Learning (CCCAL)**

We are asking that you approve the position for teacher of the Carroll County Center for Advanced Learning. The person hired to lead the CCCAL will work with the High School Administration along with Central Office to engage students in advanced learning or for credit recovery. This new program will attract students who are behind on credits or wish to learn in a one-to-one situation on a computer using the E20-20 program or an E-College course.
