

TECHNOLOGY BOARD REPORT

MAY, 2013

Tickets:

- We have closed 104 items since last BOE meeting.

Highlights of the Month:

End of Course Testing – We were one of the few districts to successfully test online. We had 135 computers set up and ready to go.

MacBook Collection –Apple Macbooks have been collected. Those needing fixed are in the process of being sent in to MacAuthority or Insurance, according to the damage.

Joe Bliton will be streaming the Carroll County Middle School Moving Up ceremony and Carroll County High School graduation. The link can be seen all over the world on Youtube, live or there will be a recording left on the site.

<http://www.youtube.com/user/TheCCSchoolsKY>

The videos will be named CCHS Graduation 2013
And CCMS Moving Up Ceremony 2013

The computers for the Center for Academic Learning have arrived. They are Lenevo all-in-one computers. Andrew Johnson is setting them up and will be imaging them for summer school.

Andrew also has created some beautiful wiring closets. With our new wiring, he has had a chance to reroute all of the old wires and design an efficient space to troubleshoot computer networking problems.
