

Carroll County Alternative Learning Center
Board Report – February 2014

1. Our current enrollment stands at 19 students – 6 Middle School – 13 High School. Of these, 3 are expelled, 10 are referred and 6 are here voluntarily.
2. Ms. Raisor is updating our website daily, please take a look, it gives you a good window into our world.
3. We have continued our Robotics program and students have completed their fourth robot for this year.
4. Ms. Welch is inviting local people to give career presentations to our students every Friday.
5. We have been holding PEEL meetings twice a month to address student attendance and discipline issues.
6. Ms. Welch has completed a 4-H electricity project. Students learned the basics of electricity and built electrical kits.
7. Ms. Welch has scheduled another 4-H project involving leather works. Students will receive training in leather work and will complete a project.
8. Ms. Welch has been meeting with the Operation Preparation team to plan for that project.
9. Grades, attendance and discipline are all holding at good levels especially considering the distractions caused by the weather.
10. A group of educators from Spencer County will be visiting us next week to look over our use of the Edgenuity program in the District. Mr. Root and I have developed packets of materials for them that we use with the program and we will be meeting with them.
11. We have scheduled our next painting project and it will be a Spring/Summer scene.

Ed Nelson, Principal
