

CCMS Board Report

February 18, 2014

“Dream It Believe It Live It”

- **Thinking Strategies observations with Candy Thomas went really well on Tuesday.**
- **GSSP’s are being done in ILP’s. Great Job! Mr. Fremin This allows parents to view online and make comments. The most important idea is that these plans are more individualized for each student.**
- **Implementing close reading in all classes.**
- **Preparing for the roll out of the reciprocal reading strategy.**
- **Class by Class data analysis so each teacher knows what the average growth for reading and math were on MAP.**
- **CT4GC Co Teaching Class showed growth by 10 points and the observation by Director Toyah Robey went exceptionally well.**
- **21st Century Grant was approved for an additional 5 years. Thanks to Sheila and Carl for working so hard.**
- **Digital Learning Day was a success. CCMS had lots of teachers participating.**
- **Leader in Me book study is going well. Our faculty meetings have been more focused on Teachers being Leaders of the learning.**
- **Artreach is rescheduled for March.**
