3. The Leader in Me – We have completed a rough draft of our 30 / 60 / 90 day plan for the Leader in Me. This will become part of our school improvement process to make sure we are meeting the requirements of the KidFriendly Grant. Students continue to work in our goal setting notebooks to improve their individual performance and should for their minimum of one year's growth.
4. Achieve3000 – Our students are up and using the articles as part of the process. We are striving to have each student complete at least 40 articles with a proficiency level of 75% by the end of the school year. So far we have 4 students who have completed the 40 lessons for growth. Teachers are implementing it as part of the learning process for each student.
