

## **TECHNOLOGY BOARD REPORT**

**FEBRUARY, 2014**

---

### **Tickets**

≧ We closed 175 tickets between January 15<sup>th</sup> and February 19<sup>th</sup>.

### **Digital Learning Day**

≧ On February 4, 2014 the nation celebrated Digital Learning Day (DLD). We were out of school that week so we celebrated on Monday the 9<sup>th</sup>. That was a great day to visit the classrooms! Carroll County teachers used over 35 different applications, websites, or digital resources to engage and motivate their students.

≧ Winn had every teacher (31) participate!

≧ CCMS - 14 teachers participated

≧ CCHS - 13 teachers participated

≧ Cartmell - 8 teachers participated

### **State Award!!**

≧ KySTE (Kentucky Society for Technology in Education) offers its members an opportunity to nominate individuals for an Outstanding Tech Support Award each year. Last month, I nominated Zach Dean for this award. It recognizes and honors a technician, in Kentucky, who has demonstrated outstanding achievement and leadership in supporting technology to improve education. A formal nominations statement, resume, and 3 letters of recommendation were needed to nominate a person. Zach got the award. He was presented with it on Feb. 21 at the DTC meeting. He will again be recognized at the KySTE state conference March 6, 2014.
