

Student and District Support Services

Board Report

October 22, 2015

Larry Curell, Chief Operations Officer

In an effort to streamline reports and better communicate to the Board activities of the District Support and Student Services, we have combined the reports into this new format. You will find reports from the various departments in this report. We have also attached some supporting information from some of the departments.

21st Century Lighthouse

District	95.91%	95.39%

Transportation **Nadena Mahoney, Transportation Director**

Been doing interviews for new drivers. At this time we have 3 people that are looking to drive. We are still 2 short, they would be full time subs.

Our two new buses have come in but we have not got them on the road at this time. We are still waiting for J&N to put the 2 way radios in them. That could take up to a week or more!
