

# **October Board Report 2015**

## **Elementary Instructional Supervisor**

### **Walkthroughs in the classrooms**

Our last walkthrough was in the area of mathematics. We seem to be making great progress in this area across the entire district. Students seemed more focused and are doing higher level mathematics. There is excitement in the air.

### **Star**

We are in the process of giving our next assessment. This will be completed by the end of the month of October.

### **Curriculum/ Instruction/ assessment**

Books for students have been bought for all 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade students. The library is also giving our teachers books for the students that are focused on their unit of study.(Each teacher is receiving a couple of bags full) We are so thankful for this partnership and excited about the opportunities this is providing for our students.

### **Vocabulary**

Vocabulary continues to be a focus for classroom teachers. All students need to be able to see hear and use the new words in their writing and daily use.

### **CCECC (Carroll County Early Childhood Council)**

Our next event is "Little Artist, Big Artist." It will be held at Kathryn Winn on October 21<sup>st</sup>. The purpose of this group is to make parents and students aware of the high standards that are in place for Kindergarten readiness.
