WHAT: Textbook surplus request

WHO: CCHS

Dear Board of Education,

CCHS has attempted to sell some surplus books to a book vendor, with no success. As you can see from the attached e-mail, the books were so old that we were unable to get any offer of purchase of the books.

We respectfully ask that we be able to surplus the 59 titles we cleaned out of classrooms this summer.

Sincerely,

A handwritten signature in cursive script that reads "Mary E. Lohr". The signature is written in black ink and is positioned to the left of the typed name.

Mary E. Lohr

Associate Principal of Curriculum, Assessment, and Instruction

Hi Mary,

Thank you for sending me the list of textbooks your district wants to sell. Unfortunately at the moment we are not able to purchase the 59 titles of textbooks listed. All the titles are on file and I'll let you know if there is any demand in the future. Let us know if you need anything!

Boris

Good morning,

On June 7, I faxed textbook information from Carroll County High School for your buy-back to get a quote. To date, I have not received anything back. Do you show record of this fax (3 pages long)?

Thanks so much,

Mary Lohr
