## Board Report- October 2017

1. Our current enrollment is 19 students- 14 High School- 5 Middle School.
2. Our students completed their community project for Kathryn Winn. The bench was delivered to the school and will be placed outside for the students to use at recess. They've also completed Para cord bracelets and cards to send to Operation Gratitude for our troops overseas. This week they will be making fall wind chimes to deliver to nursing home residents.
3. We are looking at student data from last year and this year's STAR (see attached), K-Prep and Cert scores to start filling in the gaps. We are continuing reading in small group reading instruction - learning how to annotate and focusing on the big 12 skills for reading:
  - Finding main idea
