

## *Approval to split Gifted and Talented Position as two positions*

In 2016/2017, a Gifted and Talented Instructor position was created for 100 days and Pam Williams was hired to serve all schools in the district.

In 2017/2018, discussion took place and the decision was made to reduce the number of days for the position to 60 days.

Further conversation between the Instructor, district administrators and principals has revealed that 60 days is not enough time for one person to meet the needs of all schools in the district.

The recommendation is to make the Gifted and Talented Instructor position into two 50 day positions that would allow one person to serve the Elementary schools and one person to serve the Secondary schools in the district. This position is paid out of Title I money.
