

Board Report
Assistant Superintendent
May 17th, 2018

Current Open Positions:

CCMS Guidance Counselor
CCHS Guidance Counselor
Cartmell Teachers (2) 4th Grade
High School Teachers (2) Agriculture (split with CCMS and Foreign Language)

Equity Reviews:

During the course of this school year Dr. Livingood has charged us with reviewing how we have distributed resources of all kinds across the district. The purpose is to help ensure that the needs of ALL students at ALL levels are addressed. We have completed the majority of these reviews. They include staffing (both classified and certified), Title One funding, facilities and access to technology. The last two areas which will be presented at this board meeting for your approval are salary tables / schedules and the budget.

Recruiting Visits:

In an effort to attract and recruit more teachers, specifically a foreign language teacher, Mr. Stephens and I attended a minority specific recruiting fair in Philadelphia last week. We were able to meet a few potential teachers, but not specifically a foreign language teacher. I will be attending another minority event in Indy June 14th. We will continue to expand our efforts to find quality folks to bring into the community.

Leadership Meetings:

Please see the agenda's for leadership meetings that are below. We continue to seek improvement in our leadership ability. As we reach to improve the efficacy of all employees, we realize it starts with us at the leadership level.

Administrators/ Principals
