Board Report**

Notable Progress this Month Relative to Goals on the CSIP:

- 1. Goal 5: To increase the school's overall climate/environment perception by 10% by 2022.**
Our attendance average so far is 96.12%. Last year, at this time, it was 95.70% and the year before it was 94.73%. This shows every year we are increasing our student attendance the 1st month of school.
- 2. Goal 5: To increase the school's overall climate/environment perception by 10% by 2022.**
We had to renew our Leader in Me Lighthouse status at the end of last school year. We did find out in the summer we received renewal. The process included submitting online detailed summaries and documentation based on a rubric proving that we are still maintaining our level of commitment and instruction that got us identified in the first place. We are still 1 of 510 schools across the world that have this recognition.
- 3. Goal 5: To increase the school's overall climate/environment perception by 10% by 2022.**
We have only had 3 behavior incidents so far this year. At this time last year, we had 5 so this is a decrease.

School Improvement Plan Activities Update

September – DATA ANALYSIS: We are currently finishing up our initial assessments (DSA, PAT, STAR) and will beginning to analyze the data in grade level PLCs to determine student needs. Then this will be analyzed school wide, ending up at the SBDM council as well. This data will drive our day to day plans and help formulate new goals that will be put in the CSIP. Finally, when Cartmell's state testing data is released, as a school, we will dig in find trends/patterns that can guide our instructional plan at our level which will also help us formulate our CSIP to completion.

October – NEEDS ASSESSMENT: (type in here)

November – PRIORITY NEEDS: (type in here)

December – ACTIVITIES DEVELOPMENT: (type in here)

January thru August – ACTIVITIES MONITORING: (type in here)
(30,60,90 day process)

Board Report**

Trauma Team Report

The first meeting of the Student Support Trauma team was on September 5th. The team consists of staff from both Headstart and KWP. The team set the purpose of the meetings and outlined guidelines for discussing individual students in order to provide effective supports and strategies for these students and their teachers. This team is excited to work together as it blends these two programs' resources with a focus of meeting all students' needs no matter whose building they are in. This team will meet when needed and will be led by Donna Monroe. The next meeting will be on October 4th.

School Safety Team Report

*The first meeting of the School Safety Team (Threat Assessment) for KWP and Headstart will be on Friday, October 4th. This team will meet once a month to review the safety issues of the building and will be led by Leah Spencer.
