

Carroll County Schools

1. Mr. Sizemore has met with each school's special education staff to introduce and discuss district expectations for special education services for Carroll County Schools.
2. Mrs. Liz Brown and Mr. Sizemore met as a group to review Trauma Informed Care supports for our students. A plan was developed to review the Comprehensive District Improvement Plan (CDIP) as it related to the Social Emotional Learning for the students.
3. Mr. Sizemore and district special education staff have been reviewing teacher certifications to ensure certifications are up to date and providing support to staff in obtaining certifications.
4. District special education staff have been reviewing special education caseload summaries to ensure timelines for Individual Education Plans (IEPs) are up to date.
5. Mr. Sizemore and Mr. Stephen Mullins (School Psychologist) have been developing Special Education Evaluation training for special education staff for the district.
6. Mr. Sizemore has conducted training webinars for Medicaid Services for the district.
