

Elementary Supervisor of Instruction
Board Report
February 2020

Assessment:

The online field test window begins February 24th, so I am working with the Building Assessment Coordinators, Technology and KDE to make sure we are prepared to administer the assessment in grades 3-8, 10 and 11. The testing plan is below:

Green Shading indicates online.

School climate and safety surveys will also be administered during the field test.

Note: Current social studies standards will be field tested in Fall 2020 at grades 6, 9 and 12.

Impact Survey: Each school has completed the Impact Survey and we will receive the results back mid-March.

NTI Update: We used NTI day #2 on February 7th. I will be working with principals to make sure our participation percentages and student work samples are submitted within the next 30 days.

After School Program: The coordinators are coming to the board meeting this month to share some the exciting things that are happening in our programs.
