Maintenance (Dwayne Smith)

Maintenance Report

This past month:

Complete filter change across district was finished before student/faculty return

- New paved parking area at High School Conditioning Center and green house
- Head Start bus loop and sidewalk pavement level raised to prevent standing water
- Sanitizing machines have been cleaned and repaired for use
- All landscaping has been updated for the new school year
- New laminated flooring has been installed in the High School main office
- The new green house at High School has been plumbed for water
- The 5 Sweet gum trees at the Central Office have been removed to eliminate the ball seeds from

landing on the parking lot and creating a trip/fall hazard

- The Conditioning Center has received a new coat of paint, grey to match the BB/SB dugouts
- Several small items have been addressed to prepare for student return
- Maintenance has closed 175 work orders this past month

Transportation – (Darren Dunn)

Drivers continue to work very hard at getting to and from home in difficult circumstances. We are down 4 drivers and many drivers are completing double routes. We have reduced our drop off times by almost 90 minutes from opening day.

District Health (Sherry Stamper)

The nurses continue to see students at high levels daily. They will be looking at options for providing COVID testing in house for student and staff

YSC Activities for July 2021 (Tracey Reynolds)

District

- * Keep in mind Stephanie does not work in the summer
- Completed all end of the year reports for Regional Manager/Frankfort
- FRYSC PD hours
- Supplemental Report
- I & R Report
- Attended Persistence to Graduation training
- Attended six days of Victory over Violence Training mandated by FRYSC
- Completed Safe School Trainings

CCHS

- Purchased snacks/donuts for summer school
- Purchased clothing/shoes for students in summer school
- Gave shoes to several students in need
- Gave two seniors yearbooks as YSC had ordered extras
- Ameri-Corp position filled (A. Lewis)
- GBSP training 1 day
- Provided lunch for teachers (Training)
- Revoked/Reinstated license for NO Pass No Drive. Numerous students got their license reinstated by attending and completing summer school
- Completed numerous forms for permit test on students who turned 16 and qualified to take permit test
- Worked with technology for letters to be mailed home regarding missing computers (not turned in last year). Texted & FB messaged those I personally know and letters were mailed to remaining students/parent's

- Referred UMC to principal and J. Conrad so they would stop emailing me
- Planned computer roll out for CCHS; recruited ppl to help, purchased folders to be given out, copies of papers (just love our intern in the office)
- Had A. Lewis mail certificates to seniors who had just graduated
- Purchased snacks & drinks for senior start up
