

January 2021 Board Report

Technology

E-rate

The E-rate Discount Data sheet for Carroll County was completed in mid-December for the state and below is the result:

For Category 1 purchases, our Discount percentage is 90%. We lease our Fiber from Spectrum at a 90% discount.

For Category 2 purchases, Carroll County was awarded \$315,129.00 over a 5-year period for expenses such as: replacing routers, switchers, access points, data wiring and Uninterruptible Power Supplies.

DLC

As of January 8, 2021, Carroll County was awarded a Federal Grant of \$2,366.40 This money can be spent toward a stipend or salary for a Digital Learning Coach or toward PD for the DLC. A District Learning Coach and/or the DLC Team includes services as: sponsoring the STLP, professional learning for administrators and teachers, providing leadership and guidance identifying best practices and resources for digital instruction and leading online and virtual coursework. Kentucky has created the Kentucky Digital Learning Guidelines that are available for schools and districts to ensure quality, rigor and impact on student achievement.
