### Request to Surplus

January 12, 2021

I am requesting to surplus the old Carroll County High School Pep Club Panther Mascot suit. The suit is over 15 years old and is in complete disrepair, with numerous rips in the body and missing all of the teeth in the head. Additionally, this suit is missing the accompanying gloves to cover the hands of the wearer and the screen in the mouth. There are currently two new mascot suits that are in excellent condition that belong to the CCHS Pep Club that are being used by students in the club.
