**Project Abstract:**

**Title: Spanish Reading Lab**  
*Level of Funding:* Faculty Level - \$2,000

**Summary:** Individual Spanish authentic magazines will help students to improve their reading comprehension by being exposed to the target language’s written materials.

<b>Goal – To increase student reading comprehension in the Spanish language.</b>	
<b>Objectives for Goal #1</b>	
1	Build reading comprehension with immersive on-level materials teens like
<b>Outcomes for Goal #1</b>	
1	Language acquisition and proficiency

**Statement of Need:** Presently we don’t have any current reading materials in the Spanish language. To acquire a second language, students need to be immersed in it using comprehensible input. We need materials that interest teens and will encourage them to explore the Spanish language in the written form. Individual magazines from Scholastics will provide practical vocabulary and scaffolding techniques that will build proficiency. I would like to get the Scholastics Classroom Magazines combo of Print + Digital for the Spanish 1 and Spanish 2 classes.

**We need an estimated number of 60 units for Spanish 1, and 40 for Spanish 2.**

[https://classroommagazines.scholastic.com/magazines/subscribe.html?magazineName=que-tal&promo\\_code=8659](https://classroommagazines.scholastic.com/magazines/subscribe.html?magazineName=que-tal&promo_code=8659)

The price for levels 1 and 2 is US\$ 8.25 per student, for a total of US\$ 495.00 for Spanish 1, and US\$ 330.00 for Spanish 2, for a total of US\$ 825.00.

**Program Description:** The Scholastic Individual magazines in the Spanish Language will provide material that interest students and will entice them to dig deeper into the language. Students will read Spanish level articles and will do the activities that are offered (fill in the blank, crosswords, etc.), as part of independent reading activities. The magazine will be in digital and print form, so students can explore it even if they are not in the classroom.

**Total Project Budget:**

**Line Item Project Budget:**

**You may list your budget in the space below OR upload a pdf of the project budget.**

<b>Magazine</b>	<b>Price per unit</b> (US\$ dollars)	<b>Seller</b>	<b>Quantity</b>	<b>Total</b> (US\$ dollars)
¿Qué tal? (level 1)	8.25	Scholastic	60	495.00
Ahora (Level 2)	8.25	Scholastic	40	330.00
<b>TOTAL:</b>			100	825.00

**Evaluation:**

The teacher will issue a report to the R.C. Durr Foundation no later than Dec. 31, 2021, that reports on the success of the headsets in class.

Project Start Date: Spring 2021  
Answer if known at this time.

Project End Date:  
The magazines will be used weekly for independent reading.
