## Kathryn Winn Board Report

### **Our goal and mission is to give your child the** **“Best education in the nation.”**

- ✓ We have been working with the OVEC consultants to make the math and reading more rigorous. This has been going very well.
- ✓ We started using the Engage New York to teach the common core in math. Previously we were pulling from different states common core materials, and the staff voted to use these modules from the Engage Series. We are working with the Math Coaches to make it more hands on. This will help all our children.

#### 21<sup>st</sup> Century Lighthouse at Winn

- ✓ All of our teachers at Winn participated in digital learning Day
- ✓ Our 20,000.00 dollars' worth of Ipad minis were delivered to our school the day before DLD day and our students had a great time. Our teachers earned another 5800.00 towards buying more minis because of this participation.
- ✓ Because all of our teachers participated in Digital Day we earned another 30 I-pads, for our school. That means that each teacher will get another I-pad mini and a few teachers will get two or more. Again we are so excited about the opportunities that this will bring to our school
